

RSC Undergraduate Research Bursaries: Supervisor Report

Please note that this report form is provided for information only. Questions and contents are subject to change in the final version.

1.

Once the RSC Undergraduate Research Bursary has been awarded and the placement has been completed, we ask you and the project student to complete a brief report to help us measure the impact the bursary has had for you and the student. Your response will only be seen by RSC staff.

The main purpose of the bursaries is to give experience of research to undergraduates and encourage them to consider a career in scientific research, so many of the questions for the student focus on this. We would also like to hear how the bursary has benefited you and your research group.

Please complete and submit this form by 14 October. If you have any questions, please contact us funding@rsc.org.

1. Your name *

2. Student's name *

3. Application number *

4. Your institution and department *

5. Student's institution and department if different from above

6. Project title *

7. Financial statement *

Number of weeks the bursary was awarded for:

*

Number of weeks worked:

*

Value of grant awarded (£):

*

Value of grant spent (£):

*

Grant balance to be returned (£):

*

8. Please provide a summary paragraph describing the project and its outcomes, written in language easily understood by the lay reader (150-200 words). *

9. Please describe (150-200 words) the value of the bursary to you and your research group. *

10. Will the project undertaken in the bursary be taken forward by your group, e.g. by a PhD student or postdoctoral researcher? *

- Yes
- No

If yes, please provide details:

11. Has the project resulted in any of the following? (planned or already produced) Please provide brief details for all that apply, including whether the student is involved/named in the output

Publications

Presentations

Intellectual property, patents or licenses

Funding
or grant
proposals

Collabo-
ration
with
other
